American Life

| | | |
|----------------------------------|----------------------------------|---|
| Do I have to change my name? | This type of modern life | I'm drinking a Soy latte |
| Will it get me far? | Is it for me? | I get a double shote |
| Should I lose some weight? | This type of modern life | It goes right through my body |
| Am I gonna be a star? | Is it for free? | And you know I'm satisfied |
| | | I drive my Mini Cooper |
| I tried to be a boy | Do I have to change my name? | And I'm feeling super-doooper |
| I tried to be a girl | Will it get me far? | Yo they tell I'm a trooper |
| I tried to be a mess | Should I lose some weight? | And you know I'm satisfied |
| I tried to be the best | Am I gonna be a star? | I do yoga and palates |
| I guess I did it wrong | | And the room is full of hotties |
| That's why I wrote this song | American life | So I'm checking out the bodies |
| This type of modern life | I live the American dream | And you know I'm satisfied |
| Is it for me? | You are the best thing I've seen | I'm digging on the isotopes |
| This type of modern life | You are not just a dream | This metaphysic's shit is dope |
| Is it for free? | | And if all this can give me hope |
| | I tried to be a boy | You know I'm satisfied |
| So I went into a bar | Tried to be a girl | I got a lawyer and a manager |
| Looking for sympathy | Tried to be a mess | An agent and a chef |
| A little company | Tried to be the best | Three nannies, an assistant |
| I tried to find a friend | Tried to find a friend | And a driver and a jet |
| It's more easily said | Tried to stay ahead | A trainer and a butler |
| It's always been the same | I tried to stay on top | And a bodyguard or five |
| This type of modern life | Fuck it | A gardener and a stylist |
| Is not for me | | Do you think I'm satisfied? |
| This type of modern life | Do I have to change my name? | I'd like to express my extreme point of view |
| Is not for free | Will it get me far? | I'm not Christian and I'm not a Jew |
| | Should I lose some weight? | I'm just living out the American dream |
| American life | Am I gonna be a star? | And I just realised that nothing |
| I live the American dream | | Is what it seems |
| You are the best thing I've seen | Ahh, fuck it | |
| You are not just a dream | Ahh, fuck it | |
| | Ahh, fuck it | |
| I tried to stay ahead | Ahh, fuck it | Do I have to change my name? |
| I tried to stay on top | | Am I gonna be a star? |
| I tried to play the part | | Do I have to change my name? |
| But some how I forgot | | Am I gonna be a star? |
| Just what I did it for | | Do I have to change my name? |
| And why I wanted more | | |

Hollywood

Everybody comes to Hollywood
 They wanna make it in the neighbourhood
 They like the smell of it in Hollywood
 How could it hurt you when it looks so good?
 Shine your light now
 This time it's got to be good
 You get it right now
 Cause you're in Hollywood

There's something in the air in Hollywood
 The sun is shining like you knew it would
 You're riding in your car in Hollywood
 You got the top down and it feels so good

Everybody comes to Hollywood
 They wanna make it in the neighbourhood
 They like the smell of it in Hollywood
 How could it hurt you when it looks so good?

I lost my memory in Hollywood
 I've had a million visions bad and good
 There's something in the air in Hollywood
 I tried to leave it but I never could

Shine your light now
 This time it's got to be good
 You get it right now yeah
 Cause you're in Hollywood

There's something in the air in Hollywood
 I've lost my reputation bad and good
 You're riding in your car in Hollywood
 You got the top down and it feels so good

Music stations always play the same songs
 I'm bored with the concept of right and wrong

Everybody comes to Hollywood
 They wanna make it in the neighbourhood
 They like the smell of it in Hollywood
 How could it hurt you when it looks so good?

Shine your light now
 This time it's got to be good
 You get it right now yeah
 Cause you're in Hollywood
 Cause you're in Hollywood
 Cause you're in Hollywood
 In Hollywood
 In Hollywood
 In Hollywood

Check it out
 This bird has flown

Shine your light now
 This time it's got to be good
 You get it right now yeah
 Cause you're in Hollywood
 Cause you're in Hollywood
 Cause you're in Hollywood
 In Hollywood
 In Hollywood
 In Hollywood

I'm So Stupid

Cause I use to live

In a fuzzy dream

And I wanted to be

Like all the pretty people

I'm so stupid

Cause I use to live

In a fuzzy dream

And I use to believe

In a pretty pictures

That were all around me

But now I know for sure

That I was stupid

Please don't try to tempt me

It was just greed

And it won't protect me

Don't want my dreams

Adding up to nothing

I was just looking for

Everybody's looking for something

I'm so stupid

Cause I use to live

In a tiny bubble

And I wanted to be

Like all the pretty people

That were all around me

But now I know for sure

That I was stupid

Stupider than stupid

Stupider than stupid

Stupider than stupid

Please don't try to tempt me

It was just greed

And it won't protect me

Don't want my dreams

Adding up to nothing

I was just looking for

Everybody's looking for something

Everybody's looking for something

Everybody's stupid stupid

Everybody's looking for something

Everybody's stupid stupid

Everybody's looking for something

Everybody's stupid stupid

Everybody's looking for something

Everybody, everybody

Please don't try to tempt me

It was just greed

And it won't protect me

Don't want my dreams

Adding up to nothing

I was just looking for

Everybody's looking for something

Love Profusion

There are too many questions

There is not one solution

There is no resurrection

There is so much confusion

And the love profusion

You make me feel

You make me know

And the love vibration

You make me feel

You make it shine

There are too many options

There is no consolation

I have lost my illusions

What I want is an explanation

And the love profusion

You make me feel

You make me know

And the love direction

You make me feel

You make me shine

You make me feel

You make me shine

You make me feel

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

There is no comprehension

There is real isolation

There is so much destruction

What I want is a celebration

And I know I can feel bad

When I get in a bad mood

And the world can look so sad

Only you make me feel good

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

And the love profusion

You make me feel

You make me know

And the love intention

You make me feel

You make me shine

You make me feel

You make me shine

You make me feel

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

I got you under my skin

And I know I can feel bad

When I get in a bad mood

And the world can look so sad

Only you make me feel good

Nobody Knows Me

| I've had so many lives | Nobody knows me | *Nobody knows me |

| How many times I've died | Like you know me | Like, like you know me |

| Sometimes I feel shy | No ones telling you how to live my life | Like you know me |
| I think I can fly | But it's a setup, and I'm just fed up | Like you know me |
| Closer to the sky | It's no good when you're misunderstood | Like you know me |

| This world is not so kind | | **Nobody knows me |
| People trap your mind | I don't want no lies | Nobody knows me |
| It's so hard to find | I don't watch TV | Nobody knows me |
| Someone to admire | I don't waste my time | Like you know me |
| | Won't read a magazine | |
| I... I sleep much better at night | | Nobody knows me |
| I feel closer to the light | I don't want no lies | Nobody knows me |
| Now I'm gonna try | I don't watch TV | Nobody knows me |
| To improve my life | I don't waste my time | Don't want your social disease |

Nothing Fails

I'm in love with you, you silly thing
Anyone can see
What is it with you, you silly thing
Just take it from me
It was not a chance meeting
Feel my heart beating
You're the one

You could take all this, take it away
I'd still have it all
Cause I've climbed the tree of life
And that is why, no longer scared if I fall

When I get lost in space
I can return to this place
Cause, you're the one

Nothing fails
No more fears
Nothing fails
You washed away my tears
Nothing fails
No more fears
Nothing fails
Nothing fails

I'm not religious
But I feel so moved
Makes me want to pray,
Pray you'll always be here

I'm not religious
But I feel such love
Makes me want to pray

When I get lost in space
I can return to this place
Cause, you're the one

I'm not religious
But I feel so moved
I'm not religious
Makes me wanna pray
I'm not religious
But I feel so moved
I'm not religious
Makes me want to pray

Nothing fails
No more fears
Nothing fails
You washed away my tears
Nothing fails
No more fears
Nothing fails

Intervention

I got to save my baby

Because he makes me cry

I got to make him happy

I got to teach him how to fly

I want to take him higher

Way up like a bird in the sky

I got to calm him down now

I want to save his life

And I know that love will change us forever

And I know that love will keep us together

And I know, I know

There is nothing to fear

And I know that love

Will take us away from here

Sometimes it's such a pleasure

Sometimes I wanna tear it all down

It's easy to be lazy

And hard to go away from the crowd

I know the road looks lonely

But that's just Satan's game

And either way my baby

We'll never be the same

And I know that love will change us forever

And I know that love will keep us together

And I know, I know

There is nothing to fear

And I know that love

Will take us away from here

In the blink of an eye everything could change

Say hello to your life now your living

This is it from now on

It's a brand new day

It was time to wake up from this dream (from this dream)

I know the road looks lonely

But that's just Satan's game

And either way my baby

You'll never be the same

And I know that love will change us forever

And I know that love will keep us together

And I know, I know

There is nothing to fear

And I know that love

Will take us away from here

X-Static Process

I'm not myself when you're around
I'm not myself standing in a crowd
I'm not myself and I don't know how
I'm not myself, myself right now
Jesus Christ will you look at me
Don't know who I'm supposed to be
Don't really know if I should give a damn
When you're around, I don't know who I am

I'm not myself when you go quiet
I'm not myself all alone at night
I'm not myself don't know who to call
I'm not myself at all

Jesus Christ will you look at me
Don't know who I'm supposed to be
Don't really know if I should give a damn
When you're around, I don't know who I am

I always wished that I could find
Someone as beautiful as you
But in the process I forgot that I was special too

I'm not myself when you're around
(I'm not myself when you go quiet)
I'm not myself all alone at night
(I'm not myself standing in a crowd)
I'm not myself and I don't know how
I'm not myself, myself right now
(Don't know what I believe)

Jesus Christ will you look at me
Don't know who I'm supposed to be
Don't really know if I should give a damn
When you're around, I don't know who I am

I always wished that I could find
Someone as beautiful as you
But in the process I forgot that I was special too
I always wished that I could find
Someone as talented as you
But in the process I forgot
That I was just as good as you

Mother and Father

There was a time I was happy in my life
 There was a time I believed I'd live forever
 There was a time that I prayed to Jesus Christ
 There was a time I had a mother it was nice

Nobody else would ever take the place of you
 Nobody else could do the things that you could do
 No one else I guess could hurt me like you did
 I didn't understand I was just a kid

Oh mother why aren't you here with me
 No one else saw the things that you could see
 I'm trying hard to dry my tears
 Yes father you know I'm not so free

I got to give it up
 Find someone to love me
 I got to let it go
 Find someone that I can care for
 I got to give it up
 Find someone to love me
 I got to let it go
 Find someone that I can care for

There was a time I was happy in my life
 There was a time I believed I'd live forever
 There was a time that I prayed to Jesus Christ
 There was a time I had a mother it was nice

Oh mother why aren't you here with me
 No one else saw the things that you could see
 I'm trying hard to dry my tears
 Yes father you know I'm not so free

I got to give it up
 Find someone to love me
 I got to let it go
 Find someone that I can care for
 I got to give it up
 Find someone to love me
 I got to let it go
 Find someone that I can care for

My mother died when I was five
 And all I did was sit and cry
 I cried and cried and cried all day
 Until the neighbours went away

They couldn't take my loneliness
 I couldn't take their phoniness
 My father had to go to work
 I used to think he was a jerk

I didn't know his heart was broken
 And not another word was spoken
 He became a shadow of
 The father I was dreaming of

I made a vow that I would never need another person ever
 Turned my heart into a cage a victim of a kind of rage

I gotta give it up
 I gotta give it up
 I gotta give it up

I've got to give it up
 Find someone to love me
 I've got to let it go
 Find someone that I can care for
 I got to give it up
 Find someone to love me
 I got to let it go
 Find someone that I can care for
 Find someone that I can care for
 Find someone that I can care for

I got to give it up
 I got to give it up
 I got to give it up
 I got to give it up
 I got to give it up
 I got to give it up

I got to let it go
 I got to give it up

Oh mother
 Oh father
 I gotta give it up

I gotta give it up
 I gotta give it up
 I gotta give it up
 I gotta give it up
 I gotta give it up
 I gotta give it up

Die Another Day

I'm gonna wake up yes and no
 I'm gonna kiss some part of
 I'm gonna keep this secret
 I'm gonna close my body now

I guess... die another day
 I guess... die another day
 I guess... die another day
 I guess... die another day

I guess I'll die another day
 I guess I'll die another day
 I guess I'll die another day
 I guess I'll die another day

I'm gonna break the cycle
 I'm gonna shake up the system
 I'm gonna destroy my ego
 I'm gonna close my body now

I think I'll find another way
 There's so much more to know
 I guess I'll die another day
 It's not my time to go
 For every sin I'll have to pay
 A time to work, a time to play
 I think I'll find another way
 It's not my time to go

I'm gonna avoid the cliché
 I'm gonna suspend my senses
 I'm gonna delay my pleasure
 I'm gonna close my body now

I guess... die another day

Easy Ride

I want the good life
But I don't want an easy ride
What I want is to work for it
Feel the blood and sweat on my fingertips
That's what I want for me

I want to know everything
Maybe someday I will
What I want is to find my place
Breathe the air and feel the sun on my children's face
That's what I want

I go round and round just like a circle
I can see a clearer picture
When I touch the ground I come full circle
To my place and I am home
I am home

I want to let go of all disappointment
That's waiting for me
What I want is to live forever
Not defined by time and space
It's a lonely place
That's what I want

I go round and round just like a circle
I can see a clearer picture
When I touch the ground I come full circle
To my place and I am home
I am home

I go round and round just like a circle
I can see a clearer picture
When I touch the ground I come full circle
To my place and I am home
I am home

I go round and round just
Round and round just
